## **General Cleaning**

consists of basic cleaning activities including sweeping, vacuuming, dusting, mopping, etc. This type of surface cleaning is done weekly to maintain a level of cleanliness and hygiene in your offices or business Periodic Commercial Cleaning (weekly, biweekly or monthly).

## **Commercial Cleaning**

Dust furniture, equipment, partitions, walls, etc. Clean and disinfect sinks, countertops, floors, toilets, mirrors, tables, chairs, refrigerators, microwaves, etc. in bathrooms, break rooms and kitchens. Replenish supplies in bathrooms, break rooms, and kitchen.

## **Office Cleaning**

We clean in and around the facility or office building. This may involve dusting, mopping, sweeping, vacuuming, and cleaning windows and doors and removing rubbish from small bins. Make sure restrooms are cleaned, sanitized, and restocked.

## **Deep Cleaning**

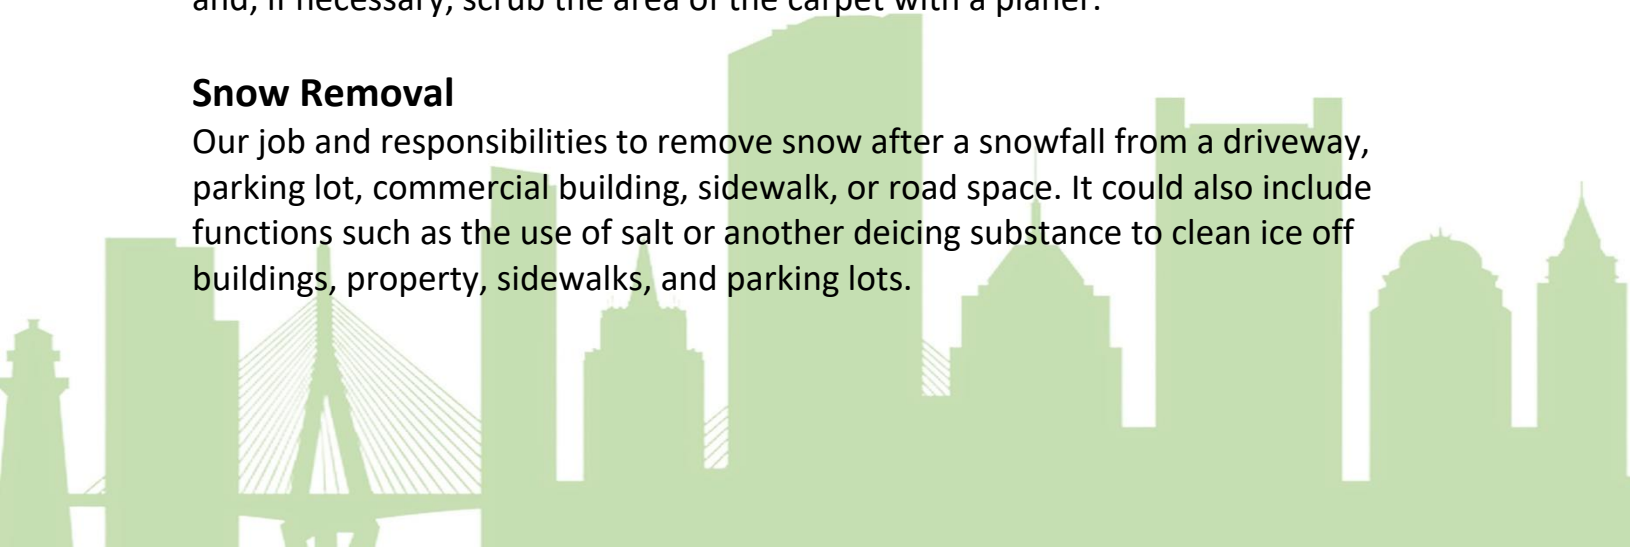

Deep cleaning goes further to get rid of dirt, grime, soap scum, and other gunk around your home. It's a more thorough service than the standard cleaning. You're not just picking up the clutter and wiping down surfaces. You're often sanitizing areas throughout the home.

## **Carpet Cleaning**

Our method includes hot water extraction, cleaning, and vacuum drying the water to remove stains. On tough stains, we use specialized chemicals to remove them and, if necessary, scrub the area of the carpet with a planer.

## **Snow Removal**

Our job and responsibilities to remove snow after a snowfall from a driveway, parking lot, commercial building, sidewalk, or road space. It could also include functions such as the use of salt or another deicing substance to clean ice off buildings, property, sidewalks, and parking lots.
